ASIA-PACIFIC TELECOMMUNITY

12/49 Soi 5, Chaeng Watthana Road, Bangkok 10210, Thailand

Ref: APT/HRD (EBC-K)/2023 (Scholarship)   21 April 2023

Dear Sir/Madam,

Subject: APT-Republic of Korea Scholarship Programme 2023

I am pleased to inform you that the Asia-Pacific Telecommunity (APT) in collaboration with the Ministry of Science and ICT (MSIT), Republic of Korea and the universities of Republic of Korea will start the APT-Republic of Korea Scholarship Programme 2023 by offering scholarship opportunities for the study of Master's or Ph.D. degree at the graduate school of 2 universities in Republic of Korea. Details of the Scholarship Programme are as follows:

< APT-Republic of Korea Scholarship Programme 2023 >

University (in alphabetical order)	Total no. of scholarship*	Area of study (No. of scholarship)	Deadline for application submission to the APT
Gyeongsang National University	2	Digital Agriculture and Smart Farm (2)	18 August 2023
Seoul National University of Science and Technology, Republic of Korea	7	1. Wireless Communications (3) 2. Machine Vision and Intelligence (4)	

* Total number of scholarships are subject to change, If applicants are not qualified or cannot meet the expectation of the university, the number of final selected applicants might be less than 9.

In this regard, I would like to invite your administration to nominate qualified applicant(s), if any, for this Scholarship Programme. Please see details in **"Guidelines for APT-Republic of Korea Scholarship Programme 2023" (Attachment-1)** before submitting your application.

The applicants will be selected based on the following criteria and the documents submitted in time to the APT Secretariat. Please be kindly informed that this program opens not only to employees of your administration, but also to prospective college graduates or those with a bachelor's degree or higher who reside in your country and meet the conditions below. The APT Secretariat reserves the right to decline any application that does not meet the requirements. Each university may have additional requirements, such as English language proficiency, academic qualifications, and specialization in the field.

/…

<u>Qualifications of an applicant:</u>
1) Applicant must hold a degree or equivalent in the ICT area. (Electronic engineering, Information and communication engineering, Computer engineering, Physics, Semiconductor-related materials engineering, ICT policy, etc.)
2) Applicant must be citizen or permanent resident of APT Member.
3) Applicant must be adequately proficient in the English language.

<u>Required Documents:</u>
A. Completed Application Form for Scholarship (Attachment-2 and 3 for each university) with a current photo, signatures of the applicant and the APT official contact person. (The APT shall not accept <u>any application forms without the signature of the APT official contact person</u>.)
B. Scanned copy of academic transcripts showing GPA & details of subjects taken.
C. Certificate in English proficiency, if available.

All correspondence related to the application should be sent by only email to ebc-k@apt.int before the closing date of the nomination. Please note that if no acknowledgement of receipt has been informed by the APT Secretariat within one week after your nomination, please contact the APT Secretariat either by phone no. +662 573 0044 (Ext.106) or fax no. +662 573 7479.

I thank you for your cooperation and look forward to receiving your nomination soon.

Yours sincerely,

(Original signed)

Masanori Kondo
Secretary General
